Midwest Mission Layette Kits Project Thank You for your involvement in our October Layette Project: for those who contributed fleece and flannel, the donation of an electric scissors, the station prep helpers on Saturday, the pattern tracers and cutters and clean-up crew on Sunday and to the sewers who will eventually construct these little garments. We cut an amazing 72 fleece jackets, 38 diapers, 15 dresses, and 12 flannel gowns! A big shout out to Pastor Ev Erbele and husband Teri, who not only brought us this service project but gave of their time and expertise. The garments we made on June 1st were shipped to Haiti on October 1st. They were part of a container of various supplies that weighed 22,790 pounds. This huge undertaking by so many folks ensures that people around the world have supplies to live hope-filled, healthy lives. There is a poster on the bulletin board outside the office with more details about this life-giving project.
